

ABCA APRIL 2022 NEWSLETTER

April has proven to be quite a busy month for ABCA both in South Africa and Australia. Books have been delivered to schools in Africa while in Australia schools, organisations and publishers have been delivering books to our Melbourne headquarters – sometimes by the van full.

PEARSON AUSTRALIA BOOK DONATION

Thank you to Ellen Trevan from Pearson Australia for organising an extremely generous donation of books including readers, dictionaries, note pads and work books. This donation will go a very long way and we are excited to incorporate these books into our next book packing. This contact was established by David Grieve (thank you David).

POSH OPP SHOPPE

Thank you to Gary Adler, who runs the book department of the POSH Opp Shoppe in Elsternwick, for thinking of ABCA and dropping off excess books to us this week. We look forward to receiving many more books in the future.

BOOK DELIVERY TO PINETOWN JUNIOR PRIMARY SCHOOL

On 18 March, Kathleen Thomas, the acting Department Head at Pinetown Junior Primary School, called to collect books supplied by ABCA. Tony Clulow from Rotary Westville reported that she was impressed by the quality of the books on offer and selected 88 to be added to the school's library. She stayed to have tea and chatted about the challenges of teaching in a multi- cultural environment.

Note the ABCA banner that Rotary Westville had made specially for when they hand over books to schools. They always used their Rotary Westville banner, but felt that the books looked like they came from Rotary Westville only and not from ABCA. They wanted to acknowledge ABCA in the photos as well. It is really generous of them to have made the banner to include in the photos.

Thanks to Steve Phaup for organising and to Christel for taking photos to be sent to ABCA.

BOOK PACKING

We look forward to our next book packing which will take place at the ABCA Shed on 21 May at 11am.
